INDIANAPOLIS – March 19, 2025 – **DuJuan McCoy, Owner, President & CEO of WISH-TV**, introduces two new, live, family-friendly shows: **WISH-TV Focus on Family at 3pm** and **WISH-TV Focus on Family & Community at 3:30pm** beginning on March 31, 2025.

These innovative newscasts will inspire, educate, and strengthen family bonds while bringing communities together.

WISH-TV News offers a unique approach to daytime local television. We will highlight activities your family will enjoy and look at the world as it is, filled with diversity, fun and family-friendly stories.

Phil Sanchez and Faran Fronczak will host the show while Dakarai Turner will be a contributing anchor. They will take you on a journey every day with segments your family will connect with.

“These newscasts are the first of their kind in the state. They represent WISH-TV’s commitment to the communities that we serve. This unique presentation and storytelling should be refreshing to our viewers as it will be more of an educational approach as opposed to hard news. WISH-TV will now produce over 90 hours per week of live news and entertainment programming, more than any TV station in the state,” said McCoy.

WISH-TV is Focused on Family and The Community!
