INDIANAPOLIS — April 27, 2026 — DuJuan McCoy, owner, president and CEO of Circle City Broadcasting (CCB), which owns [WRTV-ABC](#), [WISH-TV](#) and [MyINDY-TV 23 \(WNDY\)](#), today announced WRTV-ABC will relaunch weekend morning newscasts beginning July 5, marking the return of weekend morning news coverage after an eight-year absence.

WRTV-ABC will air live, local newscasts on Saturdays and Sundays from 7 to 8 a.m., leading into *Good Morning America Weekend*. The first Sunday newscast will air July 5, with the first Saturday newscast debuting July 11.

“This relaunch of weekend morning news on WRTV-ABC comes eight years to the weekend that the previous owner canceled all weekend morning news,” McCoy said. “To be a viable news station, you must be in the local news business seven days a week and in all traditional news viewing time periods to serve our community.”

With the addition of weekend morning news, WRTV-ABC under Circle City Broadcasting ownership will have added 10 hours of live local news, political and sports programming each week.

The expansion reflects CCB’s continued commitment to providing more local news and journalistic content for the Indianapolis community.
